

Dance club

When: Monday after school

Where: Please meet in the changing rooms after school to change into PE kit.

What: We will learn lots of different routines in different styles like lyrical, jazz, musical theatre, commercial and street dance. Routines can be used in any school shows that happen (but you can equally just learn the routines and not perform in shows) and this club will hopefully turn into Stages rehearsals if it happens this year. BTEC dancers can use this time to catch up on any missed choreography from not being in lessons too.
